

The Flood Safety Act and Beyond: Statewide and Local Efforts to Address Flooding in the Northeast Kingdom

Wednesday, Feb. 4th at 6 pm

Join regional organizations for a virtual conversation to hear about actions the state and local organizations are taking to reduce flood risk and protect our communities. All community members are welcome!

What You'll Learn About:

- The work and goals of your local organizations.
- The 2024 Flood Safety Act, the state's watershed-wide approach to flood resilience.
- Vermont's new statewide river corridor protections.

Please register in advance for this online conversation:
